Vehicle Service Protection

Unexpected expenses won't know what hit them.

It's no fun to get blindsided by an unexpected repair. And even less so when you have to foot the bill. Volkswagen Vehicle Service Protection (VSP) helps protect you from unanticipated expenses and the costs that come with them. How? By delivering benefits beyond your factory warranty program, with coverage options for mechanical repairs that include parts and labor up to 10 years or 120,000 miles.¹ Pay nothing on covered repairs other than the deductible you select.

1 Vehicle Service Protection coverage runs concurrently with any applicable manufacturer's warranties.

2 Please consult your Customer Agreement for all available Vehicle Service Protection plans.
